

Nipper Registration Days

Sunday 3rd Sept and Sunday 10th Sept 2017

Join Manly Life Saving Club Nippers this summer and enjoy a fun activity-based program that teaches surf safety and awareness.

Nippers is a great way for kids to build confidence and learn valuable life skills in a safe beach environment. Through participation in Nippers, kids make new friends and have the opportunity to participate in competition beach and water events.

Nippers who successfully complete the program are awarded a Surf Rescue Certificate and with further training can become qualified surf lifesavers. Age groups range from U6 to U14. Children can attend once they turn 5 years old.
