

# Manly Nippers - Existing Member Renewals @ <http://members.sls.com.au>

Registrations for the 2021/2022 Nipper Season can only be completed online this year through the Surf Life Saving (SLS) Australia Members portal. We are aware that the process can be a little confusing/tricky particularly for existing members. This process is new to Manly LSC but is used by most other Surf Clubs.

**Please read through the process below & collect the necessary information.**

- All existing parents & nippers already exist as members in the SLS Database.
- You must renew both your own membership and all other family members & Nippers
- When renewing your Memberships you can (1) renew as a family (2) renew each person individually
- Payment is also through SLS – you need to give **clear descriptions of the payments** you are making in order for us to be able to track your payments when they are remitted to us by SLS Australia so please follow **OUR** payment instructions below carefully when you pay.
- A computer will be easier than a phone. Having all the info in the Checklist below will make it quicker.

## MEMBER RENEWAL

or

### Option 1

- 1) Create a portal log-in for one parent (or use one you already have). Use mobile for identity confirmation.
- 2) Create a family group by finding each existing membership (name & DOB) within the database.

*You will need to be patient now - Manly LSC admin needs to approve your Family Group. Start the next step once you have a confirmation email.*

- 3) Log back in to SLS site and go into your Family group. Follow the instructions to renew each individuals membership.
- 4) Pay for each membership – please follow our **Payment instructions below** carefully so we can track your payments when they are transferred to us by SLS.

### Option 2

- 1) Create portal log-in for each family member (some may have them already)
- 2) Go into each member and renew their Manly membership
- 3) Go into each member and pay their membership & other fees – Please follow our **Payment instructions below** carefully so we can track your payments.

### Option 2 vs Option 1

#### PROs

- Your kids will eventually need these portals to do their SRC & manage patrols
- You can get it all done in one sitting

#### CONs

- More time consuming
- You have to create lots of portals & passwords (you will need different email addresses for each)

**PAYMENT** – Please follow these instructions so we can track your payments when SLS remit the funds to us. Split out each payment due by: **Type & who it relates to**

**Transaction 1:**  
**Type** = "Membership Fee"  
**Payt. Details** = Fee Name:Nippers/Parent Name  
 Eg "Nipper U6-U14 1st Child – John Smith",  
**Amount** = \$120.00

Transaction 1

- \* Transaction Type:
- \* Payment Details:
- \* Amount:

Add another Transaction

Total \$0.00 AUD

**Add another Transaction** to add in Training & Comp Levy or Storage fees

**Type** = Levy  
**Payment Details** = Training & Comp Levy – U10 John Smith
