

Existing Member Renewals

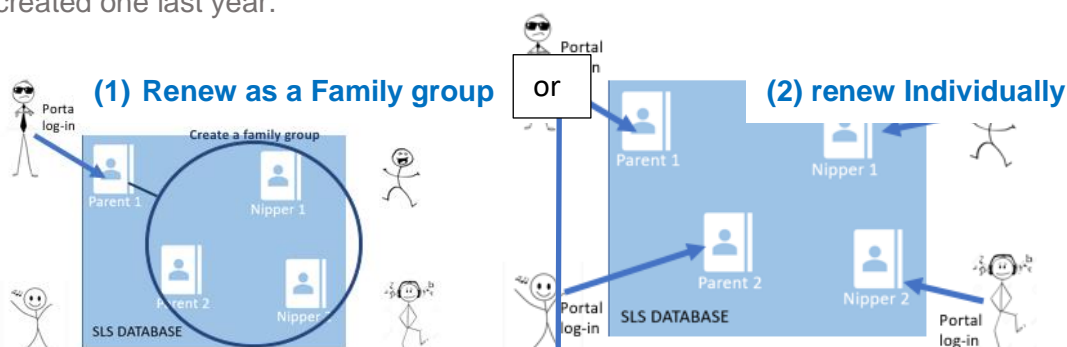

We recommend using a computer not a mobile phone.

STEP 1 - KNOW WHAT YOU ARE REGISTERING FOR

- understand the proficiency requirements for your Nippers new age group (see summary overleaf)
- decide if your Nipper will be Training and/or competing. If so you will need to pay the Training & Competition Levy of \$100 in addition to the membership fees (see overleaf). The Training & Comp Levy can be paid later if your Nipper decides to give training a go later in the season.
- understand the requirement to volunteer to support your child's Age Group - all parents are expected to volunteer in some capacity & **each family is required to do one 2 hr BBQ shift** over the season. We are still finalising our Nippers Calendar. Once completed you will be asked to select a BBQ shift on one of 2 Sunday mornings allocated to your Age group before the season starts to fulfil this obligation. Manly Nippers is run entirely by volunteers - see our website for more info <https://manlylsc.com/volunteer/>
- Apply for your active kids vouchers:
<https://www.service.nsw.gov.au/transaction/apply-active-kids-voucher>

You will either have created a family group or have individual memberships. Please do not create a new family group if you created one last year.
