

Manly Life Saving Club Inc.

By-laws

In accordance with the Constitution of MLSC and in particular rule 13.

1. Annual Report Contents

The annual Report and financial Statements to be presented to the members at the Annual General Meeting shall include as a minimum the following items. This will ensure that the document is a history as well as a statistical record of the Club.

1. List of Office Bearers, Standing Committees, sub-committees, panels and groups etc.
2. List of Committee meeting attendances.
3. A list of membership.
4. List of suspended members.
5. List of patrol members, Captains and Vice Captains, with the number of patrols possible and actual attendances and members whose patrol record for the season does not count as a year of service.
6. Junior Activity Annual Report with JAC members and State Championship competition results , if not separately presented at JAC AGM.
7. Audited Financial Statements of the MLSC Inc.
8. Reports from each group affiliated with the MLSC Inc.
9. State, Australian and World Championship results.
10. Club Championships results

2. Club Correspondence

A list or copies of all incoming and outgoing correspondence, this includes paper correspondence and emails which are either sent too or carbon copied (cc) to secretary@manlylsc.com, shall be available at each meeting of the Board and appear with the Minutes of each Board meeting.

3. Club Identification

Is referred to in rule 4 of the Constitution and further details or specifics of the following will be kept by the Secretary:

Club Badge, Club Honour Badge, Club Flag

4. Patrol requirements

All members, upon entering Club premises, automatically become eligible for and liable to perform any duties called upon by the Club Captain or Patrol Captain.

The Board may exempt any member from patrols for any sufficient reason including those members who have a consistent performance of lifesaving duties or administration duties outside club activities.

The office holders of the following positions of MLSC are exempted whilst they hold these positions: The President, Deputy Presidents, Club Captain, Treasurer, Secretary, Chief Instructor, IRB Captain.

These office holders will be credited as having satisfactorily performed their patrol duties whilst they hold these positions, however this will not exempt them from any SLSA patrol hour competition requirements.

Patrol requirements for season 2021/2022 are as follows:

Any member that is not Long Service, Honorary or an Associate member must do their best to fulfil their Patrol roster. If a member cannot make a rostered Patrol, it is their responsibility to find a replacement. This can be done via the Member's Portal. Obligated Patrol hours consist of 25 hours for competition (calculated from a calendar year) consisting of hours on Patrol or designated water safety hours.

Patrol Grading Key for 2021/2022 follows:

At the conclusion of each patrol season every patrolling member's patrol season hours are accumulated and one of the gradings below is allocated.

A = The highest and recommended award status for a patrol members achievement; Year of Service is granted and accumulates towards Long Service (10 years).

To achieve A Grade status, members must complete minimum 30 patrol hours a year composed of

Minimum of 20 rostered patrol hours with your allocated Patrol

AND Minimum 10 hours with another patrol

OR 10 hours maximum of approved and logged, water safety

B = Year of Service not granted, but member in good standing.

C = Member must reapply to join, with letter of commitment

NOTE: An A grading may be granted when a prior agreement has been made between the Club Captain and a member due to other services they provide to the club

Roving Patrol

Placements on Roving Patrol are limited and are only available to a maximum of 30 members. In order to qualify, your work/family/sports schedule is such that you cannot predict your availability.

Due to limited places, those wanting to be on Roving Patrol MUST apply prior to every season.

There is an expectation that when Patrol numbers are low, roving members will be contacted first to fill gaps.

To receive an A grading, roving members must complete a minimum of 20 hrs on ANY patrol and 10 hours of water safety
